EXPECTATIONS FOR YOUR INVESTMENT

Most of our patients invest in their pain relief through our Case Fee Model. This has 4 benefits. 1) **It's Transparent** - You'll receive upfront pricing where you know exactly how much you're investing in your healthcare with no hidden costs. 2) **It's Aligned** - We both want you to be pain-free as fast and permanently as possible. 3) **It's Complete** - In this model, you'll finish care instead of getting 50% better like our patients used to, then quit, and come back in 12 months and they're worse so we have to start from scratch. We want to prevent that. 4) We want you to be HAPPY with our care. There is a **Refund Policy** if you should move, aren't satisfied, or can't comply with the treatment plan.

If we decide to take you on as a patient after the Consultation and we diagnose you after the Exam, you'll be presented with a Case Fee Agreement ranging from $2,500 - $4,000 depending on the complexity of your problem. We have payment plans in place should you need one.

We do accept Out-of-Network benefits if your plan reimburses more than $70/visit. If you'd like us to check your benefits, send us a photocopy of the front and back of your insurance card, your date of birth, and the primary insurance holder's name and date of birth, and we'll verify for you.
